ABOUT HUCK FINN JUBILEE Bluegrass Music Festival

Established in 1975 at the hands of a homegrown, Southern California family, the Huck Finn Jubilee Bluegrass Music Festival is a three-day gathering of true bluegrass and jamgrass music lovers. It is a genuine embodiment of endless pickin’ parties, instrumental roots education, and bands performing to fans that believe in the core value that bluegrass is about more than just the music. It is a community- one that delivers the nostalgia of music-driven campgrounds, bare feet, laughter, dancing, instrument exploration, and the development of new friendships.

Huck Finn Jubilee Bluegrass Music Festival, produced by the Greater Ontario Convention & Visitors Bureau, supports the cross-pollination and belief in the evolution of this music. This unique festival showcases an array of musicians spanning across local, regional, and national Grammy nominated and award-winning bands alike. Huck Finn is dedicated in delivering exceptional headlining musicians as well as up and coming talent who will continue to fight for the deep-bedded roots of bluegrass while creating sounds for the future. Bluegrass tunes can largely be described as narratives on the everyday lives of the people whence the music came.
